Dear Mr. Walsh,

In March of 2010, I paid you a total of \$1200.00 for your services in a Chapter 7 Bankruptcy case. Now, five months later, I have seen no action, filing or evidence of any work by you on my case. My repeated phone calls to you go unanswered, and the contact with your office clerks have provided constant frustration as they continually promise a filing "in the middle of next month".

After consulting two other legal sources, it is evident to me that the service your promised upon our first meeting on March, 6<sup>th</sup> 2010, is not what I received. I and relatives continue to get harassing phone calls from creditors, despite the fact that it has been five months since I retained your services.

I have lost confidence in you and your abilities to represent me. I expect to be refunded the full cost of \$1200.00 that I paid you over five months ago for nothing but continual frustration and delay. If I do not receive a refund within ten days of this letter, I will have no choice but to take this matter up with the PA Disciplinary Board, The DELCO Bar Association and the US Trustee Office Bankruptcy Board.

Sincerely,

Arthur C. Ryan
